

Leaflet on reporting procedures for doctoral candidates with DESY contract

Why do you have to meet your supervisors and write a report about this meeting?

- It is set in the DESY regulations, which you have received together with your DESY contract.
- DESY and the PIER Helmholtz Graduate School wants to make sure that you are well supervised.
- Take the opportunity and talk during that meeting with your supervisors about what has happened so far, discuss the current situation and plan the next steps.

When and how do you have to meet your supervisors & when do you have to submit the report?

- Your interim reports have to be submitted to the PHGS by the end of month 5, 18 and 30 after the start of your DESY contract as PhD student.
- The report has to be the result of a meeting (personally, via. Skype etc.) with at least two of your supervisors. Make yourself familiar with the questions on the template PhD Thesis Interim Feedback Report before you meet your supervisors and share the document with your supervisors, too.
- Arrange a meeting with your supervisors so early that you can upload the report before the given deadline.
- If you have already uploaded the interim report or contacted us regarding a late upload, please ignore this reminder and refer to our last contact.

Which document/template do you have to use for the report?

- The complete PhD Theses Interim Feedback report is composed of a report section and a signature page.
- Please use the document HELIOS PhD Thesis Interim Feedback Report (download on the PIER website: <https://graduateschool.pier-hamburg.de> > Members > Forms & infosheets)
- Please print out/download/copy both parts.

What do you have to do after the meeting with your supervisors?

- Fill in the PhD Thesis Interim Feedback Report.
- Sign the report and have it signed by your supervisors.
- Upload the signed PhD Thesis Interim Feedback Report in your PHGS database profile in the tab "Supervision" **before the end of the 5th, 18th or 30th month after the start of your PhD**
Link: https://graduateschool.pier-hamburg.de/login/index_eng.html
- Forward the "**signature page**" together with the completed PhD Thesis Interim Feedback Report to the people listed on the signature page.
- **Make sure that all listed people sign, possible additional comments are written and that everything is handed over to your contact person in the Personnel Department.**
- The documents (PhD Thesis Interim Report, signature page, possible comments) should reach the Personnel Department **not later than 3-4 weeks after the meeting with your supervisors.**
